

**Support for Consultants,  
Corporations, Governments  
and Individuals**

**Here at The Advancement Company and Governor  
Consulting, we focus on 'As and When Required' services  
in support of other Consultants, Executives in  
Corporations or Governments and Individuals**

**We provide tools and services that few organizations can afford to  
develop or maintain internally**

**From background support to complete outsourcing of a need, we meet  
these challenges expertly with:**

**Leadership Development  
Innovation**

**Process Development / Alignment / Documentation**

**Talent Acquisition**

**Endless Tools / Experience / Expertise**
